IMPORTANT NOTICE – READ CAREFULLY BEFORE YOU TRAVEL

You have purchased a travel insurance policy – what’s next? We want you to understand (and it is in your best interests to know) what your policy includes, what it excludes, and what is limited (payable but with limits). Please take time to read through your policy before you travel. Italicized terms are defined in your policy.

- Travel insurance covers claims arising from sudden and unexpected situations (i.e. accidents and *emergencies* and typically not *follow-up* or recurrent care).
- To qualify for this insurance, *you* must meet all of the eligibility requirements.
- This insurance contains limitations and/or exclusions (i.e. *pre-existing medical conditions* that are not *stable*, pregnancy, child born on trip, excessive use of alcohol, high risk activities).
- This insurance may not cover claims related to *pre-existing medical conditions*, whether disclosed or not at time of policy purchase. It is *your* responsibility to review the *pre-existing medical condition* exclusions and stability requirements, understand how they apply to *you* and how they relate to *your* departure date, date of purchase and/or effective date.
- In the event of a claim, *your* prior medical history may be reviewed.
- If *you* have been asked to complete a Medical Questionnaire and any of *your* answers are not accurate or complete, an extra deductible may apply.
- If *your* health changes after *you* have purchased *your* insurance, *you* are not required to call to update *your* Medical Questionnaire (if applicable) or modify *your* application. However, *your* health change may affect *your* coverage for *pre-existing medical conditions* and *you* may choose to contact us to review *pre-existing medical condition* coverage and discuss whether other coverage options are available.

IT IS *YOUR* RESPONSIBILITY TO UNDERSTAND *YOUR* COVERAGE. IF *YOU* HAVE QUESTIONS, CONTACT *US* or visit gooseinsurance.com.

PLEASE READ *YOUR* POLICY CAREFULLY BEFORE *YOU* TRAVEL.

This policy contains a provision removing or restricting the right of the insured to designate persons to whom or for whose benefit insurance money is to be payable.

All words in italics have a specific meaning with a corresponding definition. Refer to the Definitions section on page 33 for details.

Medical coverage for COVID-19 is included as a benefit under the Emergency Medical Insurance plan for those who are fully or partially vaccinated and for those who are not yet eligible for a vaccine due to their age. If *you* haven’t been vaccinated for any reason other than *your* age, but *you* would like COVID-19 coverage, *you* can buy the COVID-19 Insurance – Unvaccinated plan alongside an Emergency Medical Insurance plan.

3. *You* have not been diagnosed with a *terminal condition*.
4. *You* are not receiving palliative care or palliative care has not been recommended.

Period of Coverage

Multi Trip Annual

This Policy begins at 12:01 AM on the effective date of the Policy and continues in force for a period of one year from the effective date of the Policy. *You* may travel as many times as *you* wish during the period of coverage provided that no one trip exceeds the maximum number of days as specified and contracted for at the time of application.

Coverage commences on the date and time of each departure from *your* province/territory of residence.

Coverage terminates each time *you* return to *your* province/territory of residence, or at 11:59 PM on the expiry date of the Policy, whichever occurs first.

For the Worldwide plan, when travel is within Canada but outside of *your* province/territory of residence, coverage is automatically provided beyond the maximum number of days selected at the time of purchase but limited to the expiry date of the Policy.

When travel is outside of Canada, coverage is limited to the maximum number of days selected. The trip duration begins on the date *you* leave Canada and terminates when *you* return to Canada.

Single Trip

Coverage commences on the later of:

1. The date and time *you* depart from *your* province/territory of residence or Canada; or,
2. The date and time *you* depart from *your* province/territory of residence when travel is within Canada only but outside of *your* province/territory of residence; or,
3. The effective date of the Policy.

Coverage terminates on the earliest of the following:

2. On the date and time when *you* return to *your* province/territory of residence, except as outlined below:

One temporary visit to *your* province/territory of residence, is permitted during *your* period of coverage provided the temporary visit is unexpected or beyond *your* control; *your* Policy will not terminate, however *you* will not be covered while in *your* province/territory of residence. Applicable to Multi Trip Annual and Single Trip

Coverage shall be void if purchased after the date of departure from *your* province/territory of residence or for a trip not originating in Canada unless *we* authorized it, in which case it will be subject to the *waiting period* requirements.

Top-up

If *you* are covered by another insurance provider for the first part of *your* trip, *you* can purchase this Insurance as a top-up Policy to cover the remaining duration of *your* trip. However, *you* should verify with that provider that they allow their coverage to be topped-up by another insurance provider as they may void or restrict coverage if *you* don't extend or top-up with them.

1. When this Policy is purchased before departure to top-up another emergency medical insurance plan, coverage commences either:
 - a. the day following the expiry date of the insurance plan being topped-up; or,
 - b. the day following the expiry date of the trip length of the annual insurance plan being topped-up.
2. When symptoms or *treatment* by a *physician* or other registered medical practitioner for an *emergency medical condition* begin before the effective date of this top-up Policy and while *you* are covered by the insurance plan being topped-up, *we* will pay eligible expenses incurred on or after the date this top-up Policy takes effect as if the *emergency medical condition* began under this top-up Policy.

Coverage for *emergency medical conditions* which began before the effective date of this top-up Policy is only provided if there is no lapse between the insurance plan being topped-up and this top-up Policy.

We will not pay for expenses incurred if other insurance policies, plans or contracts, including but not limited to any private or provincial automobile insurance, cover the loss. Coverage is also subject to all other policy terms and conditions.

3. Expenses incurred before this top-up Policy takes effect are not covered.
